That's strange because I'd sent you a scheduled email for Monday. So please ignore it. This stage is just vetting if we can even run the unit at the location(s) so we will let you know. It typically runs from 7/7:30-1:30 and I'm not sure of the frequency yet.

The only fesible location, I think is Jordan north of Nordhoff. When you get more details about the program I'd like to hear the specifics before the program is implimented. Thanks.
